

LUCERO MILAGROS UZURIAGA GRADOS

Web Developer

Lima, Peru | +51 906186752 | lucero.uzuriaga2020@gmail.com | <https://www.linkedin.com/in/lucerouzuriaga/> | <https://github.com/luuzuriaga> / <https://luuzuriaga.github.io/portfolio/>

PERFIL PROFESIONAL

Web Developer and Systems and Computer Engineering student at Continental University, with training in frontend web development and backend fundamentals. She has completed the intensive Web Development bootcamp at TripleTen, where she strengthened her skills in HTML, CSS, JavaScript, React, and user-centered design, building intuitive, accessible, and functional interfaces. She has experience in academic and personal web projects, including React-based applications and full-stack projects focused on user interaction. She complements her frontend profile with backend development training gained through the Alura ONE bootcamp in collaboration with Oracle. She is characterized by continuous learning, a strong focus on usability, and collaborative teamwork. Her professional goal is to grow as a Web Developer / Full Stack Developer and contribute to innovative digital projects.

CONOCIMIENTOS TÉCNICOS

HTML | CSS | JavaScript | React | UX/UI

EXPERIENCIA PROFESIONAL
